

Alpha Aviation Inc. & COVID – 19 (March 20 update)

Further to the communication from Alpha Aviation earlier this week, we wanted to update you that all Alpha Aviation offices, FBO and the Main Terminal will now be closed to the general public. We ask that if you need access to the airfield or aircraft that you use the man gates beside the main terminal, gate 1 or directly through the hangars. If you are unfamiliar with where these are located or need the gate code **please call 604-952-2532** and speak to the duty manager who will be able to assist you.

At this point in time our operations team will still be on site daily to continue providing services such as fuel, towing and airfield maintenance and can be reached at 604-952-2532 or info@alpha-aviation.ca. Please understand that we have limited staff at this time, please be patient with us as we weather this storm together. We also ask that in any interactions with our staff, please practice social distancing at all times.

We will continue to monitor the situation closely and provide future updates as necessary. If you have any questions or concerns, please do not hesitate to contact us at the above phone number and email.

We wish you all the best during this challenging time.
Sincerely,

Alpha Aviation Inc.

Alpha Aviation Inc. & COVID – 19 (March 18 update)

Given the realities of COVID-19, Alpha Aviation has implemented precautionary measures to ensure the health and safety of our people, their families, our clients and our communities.

We have asked that any personnel from our main office begin working at home remotely immediately. Most meetings are being replaced with virtual meetings. This means that the Alpha Aviation Inc. Office inside the terminal is closed to the public.

As for airside operations and the FBO, we will be reducing the level of staff and ask that customers continue to request fuel or any FBO services through Effective FBO or by phone. The FBO Office will be closed to the public as well.

We ask that all of our staff and customers be mindful and respectful of the social distancing mandate at all times.

We will be continuing to monitor the situation closely, and provide further updates as necessary.

We wish you good health as we navigate this challenging time together.

Sincerely,

Alpha Aviation Inc.
